Headline:
Scattered snow showers and cold temperatures to continue.

This Evening and Tonight:
A mostly dry night with clear spells, the best of these for western areas. Occasional snow showers are possible, particularly towards the north and east of the country. Feeling cold and windy, with widespread frost. Minimum temperature -1 deg C (30 deg F).

Monday:
A frosty start, then sunny spells and scattered, occasionally heavy, snow showers move in from the east throughout the day. Feeling very cold with significant wind chill and overnight frost. Maximum temperature 3 deg C (37 deg F).

Outlook for Tuesday to Thursday:
Tuesday and Wednesday will see a mixture of sunny spells and scattered snow showers. Showers ease on Thursday leaving drier conditions. Continuing to be very cold with brisk easterly winds.
